## **April 2024**

Dear Brethren,

"Blessed be God, even the Father of our Lord Jesus Christ, the Father of mercies, and the God of all comfort;" (II Corinthians 1:3). Greetings once again in the precious name of the Lord Jesus Christ.

We are happy to be able to report that we have arrived safely in the US. Although the travel and plane trips were tiring and long, the Lord blessed us with special grace for the need, for which we remain thankful. Upon our arrival to New Mexico, both Cyd and I became ill with an upper respiratory infection which has lasted throughout the whole month of April. As of this writing, I am slowly recovering with a lingering sore throat and cough; however, Cyd remains quite ill as her case has been more severe than mine.

In preparation for our upcoming travel to Cyd's medical specialist, I have been trying to do what I can to get our vehicle and travel trailer roadworthy, both of which have been in storage for the last five years. I have encountered numerous problems, and finally concluded that our older travel trailer would not be able to make another trip. This difficulty was resolved thanks to the kindness and generosity of my family who have enabled us to upgrade to a newer and more road-worthy model. Our sincere thanks to them as a travel trailer is by far the easiest way for Cyd and I to live and travel while in the US.

Due to illness and the issues at hand, we have been unable to keep up as we would like to with our correspondence. I apologize for the delays in being able to reply in a timely manner and hope to be able to catch up as soon as possible. We greatly appreciate your patience and understanding.

Thank you once again for your continued love, prayers, encouragement, and support for the Lord's work in Australia and Papua New Guinea.

Love in Christ,  
Bro. Frank James
